

Adjustable Under Cabinet LED Task Light | LTS Pro Swivel

Transform your spaces with the LTS Pro Swivel by National Specialty Lighting. This innovative LED fixture combines a sleek, low-profile design with unparalleled lighting flexibility, thanks to its 45° Rotatable Lens and 5-CCT Selectable Switch. Perfect for precise illumination and customized ambiance under cabinets, in displays, or office task lighting.

SALIENT FEATURES:

- **Ultra-Slim & Modern:** Just 1" (25mm) high, ideal for tight spaces and clean installations.
- **Selectable 5CCT:** Easily adjust from 2700K to 5000K with integrated slider switch.
- **Dual-Angle Swivel Lens:** 45° rotation in both directions for targeted lighting.
- **True Color Output:** CRI 90+ delivers vivid, accurate illumination.
- **Long-Lasting Performance:** 50,000-hour lifespan for years of reliability.
- **Linkable System:** Connect multiple units up to 400W total.
- **Quick to Install:** Mounts with 2 screws – no external driver needed.
